

# Love Letter

Dear My Love \_\_\_\_\_ ,

Hello, my Love! I hope you are well today upon reading this. I would like you to know; that I am there. I am there in that place, in that special place. A place where I wake up in the morning smiling for no reason. The exhilarating excitement I feel as soon as I open my eyes consumes me, knowing that I can hear your voice.

The electric flow coming from my heart radiates all through my feet, with the desire to walk towards you. The butterflies swirling around my stomach make me want to jump and rejoice. I am overjoyed with your graceful smile and gentle your gentle laugh.

You don't know how many years I spent, imagining this very moment. The days we spent apart, will only make me want to see you more and more. It gives me pain when we are not together, the ticking of the clock is louder than the raindrops during the summer nights.

I am praying for you my Love, so we won't be away that long. To be with you forever is what my soul is yearning for. This infinite desire to make you smile each day gives me purpose. I want to protect you and support you in everything that you will do.

My Love, you are my joy, my destiny, and my home.
