Solicitation Letter for Sponsorship

To:

Dear _____,

Warmest greetings!

_____ is the forefront champion advocating the interest of the college youth. We are the largest youth community organization in the country with more than seventy thousand (70,000) members and have been the voice of the students championing their interests before the board of education. Our primary purpose is to provide opportunities in which the student youth can become active members of society through relevant activities that are of fundamental importance to equality, justice, and harmony.

In our continuing efforts to providing opportunities and building stronger and harmonious relationships between schools and students, we are organizing an inter-school sports fest competition involving 10 various sport events. Through this event, we intend to cater to their physical and mental wellbeing. Ceremonies shall be conducted on the opening and closing of the events that shall be attended by various celebrities and recognized personalities in education and youth. The events and the sports shall be broadcasted online through the organization's website as well as through the organization's social media pages.

In line with this, we would like to invite _____ to become a sponsor of our event. We hope to personally meet and discuss with you the details of this event and in order to introduce to you our organization more adequately.
